

Challenges and Resources During Transition of Adolescents with Autism Spectrum Disorder (ASD) to Adulthood

We are looking for

- **Parents** of youth with ASD
- **Youth** with high-functioning ASD (verbal, 15-25 years)
- **Clinicians** working with children with ASD

to have your ideas on barriers and facilitators in transition of adolescents with ASD to adulthood

You will have the opportunity to attend a 60-minute **interview**, either face to face or over phone or Skype, and share with us your perspectives on available resources to support transition of adolescents with ASD to adulthood.

Interviewees will be reimbursed with a \$30 gift card.

Principal investigator: Dr. Parisa Ghanouni
