TAMIR

Keshet for Kids

Keshet for Kids is a program operated by Tamir that assist Jewish children and with developmental disabilities, aged 5-10, participate in mainstream summer camps. Each child is matched with a “shadow” namely a high school/university student or Tamir staff, whom Tamir orients and trains to work alongside the child each day during camp. Shadows promote the concept of inclusion and work to develop cohesiveness between all parties involved in the camp experience. Contact Chris Frizell at 613-725-3519 ext 114 or at chrisfrizell@tamir.ca

Visit their website for updates: [Keshet for Kids – TAMIR \(wordpress.com\)](#)

We strongly encourage families to contact Camps directly every year to inquire about registration and fees for Summer Camps. Please note that websites are not always updated which is why we encourage families to make the call directly and early.
