Housemates: Continuing the Conversation

Are you actively searching for a housemate or considering living with a housemate? Where and how are you making connections? What has worked for you so far?

Join DSO Housing Navigators for a short presentation followed by an interactive discussion.

Topics covered will include:

- The importance of completing the matching tools and planning for your housemate vision
- Overview of platforms that can be utilized for housemate opportunities
- Looking at various housemate ads

This lunch and learn will be facilitated by Housing Navigators Olivia Thomas and Karen Roberts from DSO Eastern Region and Alexandra Shannan from DSO Toronto.

Developmental Services Ontario (DSO) helps adults with developmental disabilities find services and supports in their community.
